Life

Days, Interests, Moments

Short notes from life beyond study and projects.

Complete page · 2026-11-06

Life Notes

Beyond Study

Only honest, specific notes from the present.

Days

A Steady Study Rhythm

Time divided between review, core subjects, and project practice.

Interests

Technology & Real Problems

How data, algorithms, and software solve concrete problems.

Reading

From Sources to Understanding

Textbooks, papers, and technical documentation—focused on conditions and connections.

Moments

Milestones & Memory

Notes on completed projects, competitions, and focused work.
